Arts Event Coordinator Apprentice Position Summer 2020 Internship Opportunity

About New Haven Farms/New Haven Land Trust: This newly merged organization unites two nonprofits that have been leaders and innovators of New Haven’s urban environmental movement. The New Haven Land Trust (NHLT), Connecticut’s first urban land trust, has served the community for nearly 40 years by acquiring and stewarding over 80 acres of nature preserves city-wide and by supporting 55 community gardens throughout New Haven’s diverse neighborhoods. NHLT has grown significantly over the last five years to include programs for young environmental entrepreneurs and a marine and coastal exploration summer camp on Long Island Sound. New Haven Farms (NHF) burst onto the scene seven years ago with its innovative Farm-Based Wellness Program (FBWP) that partners with medical centers to engage people with diet-related chronic disease risk factors in learning about nutrition and gardening at one of their seven urban farms across New Haven.

Both organizations have a growing commitment to racial equity and community leadership and have taken strides in cultivating community ownership among its stakeholders. A large part of both organizations’ work, especially New Haven Farms, takes place in bi-lingual settings, with Spanish as the predominant language. The merged organization synergizes closely aligned missions, values, programming, and diverse support networks into a leader for advancing engagement and stewardship of urban nature as a resource for healthy people and communities.

Position Description: We are looking for an intern to coordinate a series of arts and cultural events at community gardens, farms, and nature preserves around the city. Required Skills: We are looking for individuals with:

- Enthusiasm for urban agriculture and environmental issues;
