

Gather New Haven Field Trip Program

We would enjoy hosting your classroom for a fun, hands-on, educational field trip at one of our Nature Preserves!

Location: Long Wharf or Quinnipiac Meadows Nature Preserve

Time: 2 hours (approximately 10am - 12pm)

Starting in late Spring and Fall of 2023

of Students: One classroom per trip 25 students with 2 to 3 adults

Cost: \$150 (you provide transportation)

We offer lessons and activities on the following topics:

- Ecosystems, Food Webs/Food Chains, Predator & Prey, Producers/Consumers
- Habitats - Salt Marsh, Woodlands, Beach/Mud Flats, River, Estuary, and Prairie
- Plant & Animal Natural History/Life Cycles, Animal Adaptations, Mollusks of LIS
- Water, Water Cycle, Water Quality, Water Filtration, Watersheds, Erosion, Tides
- Stewardship, Conservation, Pollution, Trash/Recycling, Participate in a clean-up
- Writing in Nature - we work with you to add a grade appropriate writing activity into our time at the Nature Preserve
